Personal Statement | Skilled Jr Web Developer excited to continue honing my programming skills and advance into the field of programming. As a full-stack student, developed programs that had integrated functionality with databases, apis, other npm packages with languages like JavaScript and React. Looking to use my programming skills to help make a difference.

EDUCATION

SEPTEMBER 2020 – MARCH 2021

FULL STACK CODING BOOTCAMP, UCSD EXTENSION

Acquired certificate of completion in Web Development Methods. During the program I spent 240 hours in class learning all the basics of languages such as HTML, CSS, JavaScript, React and others. I learned to collaborate with other developers in the course and developed many programs that enabled me to better myself as a programmer. After completing the Bootcamp, I now have the confidence to design and create projects that I am proud to show off to the world.

CERTIFICATE OF ACHIEVEMENT, PALOMAR COLLEGE

Acquired CSU General Education Certification of Achievement on August 20th, 2021. At my time at Palomar, I learned to work with other students to meet deadlines on projects and assignments along with building up my communication skills.

WORK EXPERIENCE

2020 – 2021

OVERNIGHT HEALTH WORKER, ATON CENTER

Responsibilities included providing health services to patients such as giving medication, taking temperature and blood pressure, and watching over them overnight.

JUNE 2017– 2019

FOOD COURT WORKER, COSTCO WHOLESALE

On the job I learned skills such as communication skills working with coworkers and customers, food handling skills such as recording safe food temps, using cash register, and stocking.
